The ISSCR Meeting Embargo Policy

Abstracts selected for poster or oral presentation are embargoed from the time of submission until the time of presentation. Abstract content may not be announced, publicized, or distributed before the presentation date and time in any way including blogging and tweeting. ISSCR does permit promotion of general topics, speakers, or presentation times.

This embargo policy applies to all formats of abstract publication—including abstracts in electronic or print version of Annual Meeting Program Book and Poster Abstract Book, online via the Program Planner and Poster Abstract pdf, Society's website(s), and other presentations.

Promoting excellence in stem cell science and applications to human health.
